

## Beetroot steam peeling plant

Thelen-machines is the contact for customers who process food industrially. Here, the focus is on potatoes, vegetables, salads and fruit.

... but also other products.

THELEN has been the contact for industrial steam peeling of potatoes and vegetables for many years. We have currently delivered a HERBORT steam peeling machine to one of our customers in Germany.

### Suitable for

Potatoes

Sweet Potatoes

Carrots

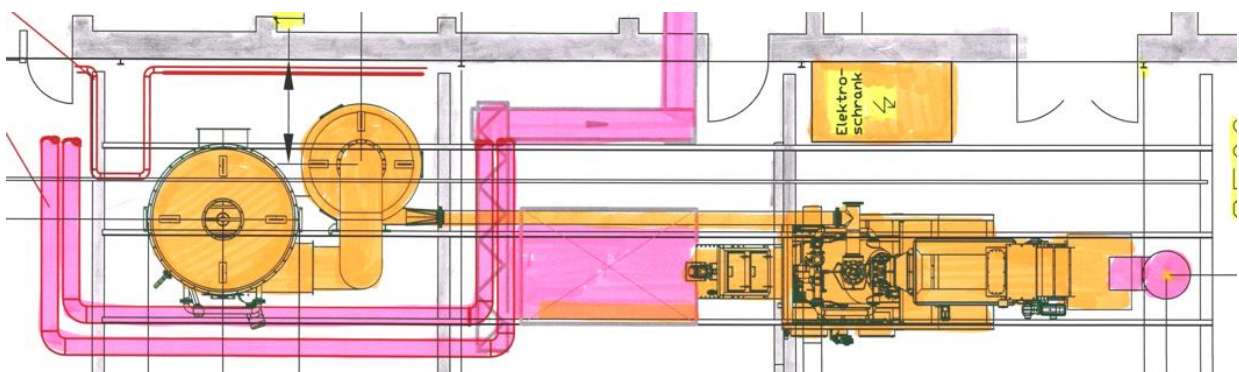

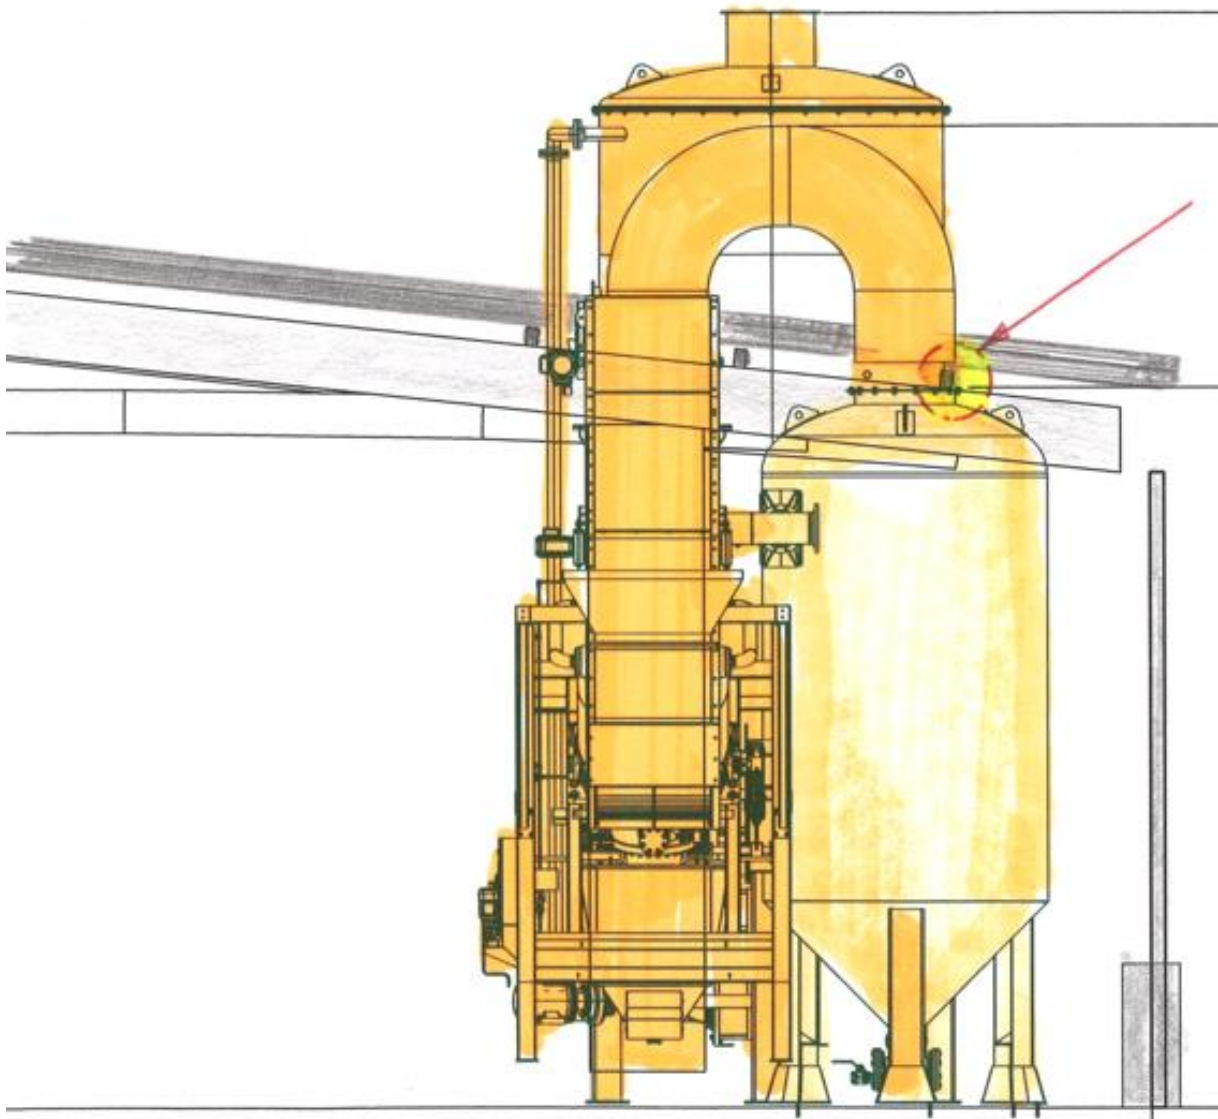

Parsnip

Beetroot
